A FEW WORDS ABOUT THE PLACE YOU'RE VISITING

SANTA BARBARA

Often called America's best kept secret, the beautiful city at the shores of America's Riviera cordially invites you to come by and find out for yourself!

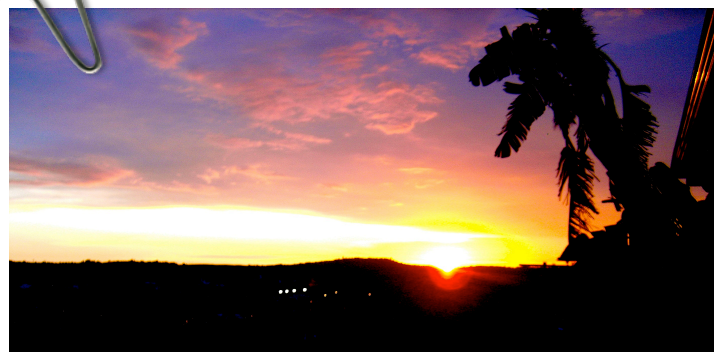

Beautifully located between Los Angeles and San Francisco, nestled seductively between the Santa Ynez mountains in the North and the Pacific ocean in the south, Santa Barbara offers everything you always longed for.

FEEL AT HOME

Located at the charming hills of the Santa Barbara 'Riviera', right above the city lights and the humming downtown area, this piece of retreat offers you all the amenities you deserve. A beautiful brick patio provides the most spectacular views. The harbor, Stearns Wharf, the Pacific Ocean, and the beautiful Channel Islands under the blue skies of Southern California greet you every morning. After sunset, the city lights wave a friendly 'Hello' while you are enjoying a barbecue or just relaxing from your vacation adventures...
